The Lost Scotches

Like all businesses, over the years Scotch distilleries do close. The global recession of the early 80's was particularly devastating to the Scotch whiskey industry with many closures. Also, as beverage companies have merged and gotten bigger they have closed older facilities with greater operating expenses regardless of the quality of the product. Lowland Scotches in particular fell out of favor with blenders and most were closed in the early 80's. This was before the current growth in single malts and few had distillery bottlings. It is rare to find any of these Scotches today and even rarer still to find a distillery bottling. With every cask of Rosebank or Banff that gets bottled, potential new bottlings from silent distilleries become rarer - and therefore more expensive. Ashley's has scoured sources all over the State to find these lost bottles of Scotch. When they are gone they are gone.

Bladnoch (Signatory Bottling) 17yr (Lowland)

Distilled 1992, Bottled 2009. 46% Non-chill filtered Bladnoch was closed in 1993, this bottle was from one of their last casks. The distillery was sold in 1995 and reopened with very limited production (less than 100,000 liters per year) in 2000. Color of white wine, Nose: starts slightly sour, yeasty, on fresh yoghurt, sour cream. A very nice blend of lemony flavors and cake, vanilla fudge and crystallised fruits. A very enjoyable classic lowland malt. 36.00

Port Ellen (Signatory) 26yr. (Islay)

Islay, Distilled 1982, Bottled 2009, 54.1% Matured in hogshead cask. Non-chill filtered, Established on Islay's south coast in 1825 by A K Mackay and Co. it was closed in the slump of 1983, and torn down. But the whisky made in the years before final closure have acquired a reputation as some of the finest to have been made on Islay in that time. A high level of peatiness and a phenomenal complexity which Islay fans adore. 58.00

Dallas Dhu (Signatory) 29yr (Speyside)

Speyside, Distilled 1980, Bottled 2010, 54% Matured in hogshead cask, Non-chill filtered. Though the distillery still exists as a museum the license to distill was withdrawn in 1992. Massive amounts of sweet malt that finishes with a touch of smoke. 49.00

Aroma of exotic fruit & honey. Lush, pleasingly deep and malty with a firm nuttiness on the palate. 6.25

Bulleit Bourbon 90 Proof

Dark Copper colored, with an oaky nose. A touch of heat, spicy with flavors of Orange peel.

Too smooth to be 90 proof. 6.00

Woodford Reserve 90.4 Proof

Cream-toffee and honeycomb. Vanilla and other gentle oaky tones waft through the nose. Subtle spices warm the palate only for the honey to calm things down again. 6.75

Knob Creek 100 Proof

The smell of Marmalade on toast. Spicy, busy start: early arrival of cocoa but a playfully biting, taste-bud nipping character stars. 6.75

Wild Turkey Kentucky Spirit 101 Proof

Loads of fruit, rye and malt. Big and bristling. Rich chocolatey orange with toffee fudge flavors but then lightens to allow the corn through. 7.50

Jack Daniel's Single Barrel 94 Proof

Selected as the best of Jack Daniel's by head distiller, Jimmy Bedford. Oakier than a typical Jack Daniel's. You less taste than eat this stuff...lovely oily middle with plenty of trademark burnt liquorice. 7.25

Buffalo Trace

A complex procession of vanillas and the usual citrus presence offering a thin veneer. A series of soft explosions light up the taste buds, but again it is the corn that dominates, its soft oils acting as a buffer for the rye and spice. 90 proof 6.50

Eagle Rare Single Barrel 10 yr

Incredibly smooth for a rye whiskey, but still with plenty of character. Notes of evergreen, almonds, and fruit lie on a bed of caramel, honeyed vanilla, and banana bread. Lingering spicy finish. 90 proof 6.50

Hancock President's Reserve
